**Roof Restoration**

As you are aware, work has finally commenced on the restoration of St. Mary's Church Roof. The cost of this project is €998,000. of which we have approximately €500,000. already earmarked for the work. It will be necessary to raise the remaining funds, and to do so a "Fund Raising Launch" will be held in the Pastoral Centre at 12 noon on the 12th May, 2024. Details of the major fundraising initiative will be announced at the Launch. Anyone interested in the Project is very welcome to attend the Launch of this important event in the life of our Parish

These are particularly challenging times financially for many people, but if we as a Parish/Faith Community come together, I have every confidence that this work can and will be paid for in a short time. We would like to thank the many parishioners who have supported the project in so many ways to date and we look forward to your support in the days, weeks and months ahead.

Many groups organize activities to fund raise for various charities and events/if you or your club/society wish to raise some monies to assist with this very necessary work we will most certainly welcome your efforts.

With no carpark we hope everyone will understand and excuse the inconvenience that a project of this nature can entail.

Fr. John, Fr. Derek & Fr. Emmanuel
