### Prayer for the People of Ukraine

Loving God, We pray for the people of Ukraine, For all those suffering or afraid, that you will be close to them and protect them. We pray for world leaders, for compassion, strength and wisdom to guide their choices. We pray for the world; that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need. May we walk in your ways so that peace and justice become a reality for the people of Ukraine and for all the world. Amen.  
Our Lady, Queen of Peace, pray for us!

### Easter Sunday

You might identify with the women through the events of that morning. They came to search and found an empty tomb. Then they were told they were looking in the wrong place: 'why look for the living among the dead'. Finally they had to cope with the staggering good news that Jesus was alive when they thought he was dead. Let their story remind you of your journey when you found life again where you thought there was none – perhaps you may have felt like that during the recent long covid lockdown. The women were the first witnesses to the resurrection. Remember the women in your life who have brought you good news, and the women who have been witnesses to you bringing you to faith in yourself, in others, or in God. The women did not keep their discovery to themselves but hastened to share the good news with the apostles. Have there been times when your heart has been full of good news that you were eager to share with others.

### Easter Wishes & Thanks

The last few days are amongst the most powerful for liturgy and prayer during the entire year. Many people were involved in preparing the Church for the different ceremonies; music, drama, flower arranging, church polishing, cleaning and sacristy duties.

To one and all we say many thanks.
