# **Roof Restoration update**

In very positive news, the Church heating system is back up and running with the new boiler installed. The roof restoration is more or less complete with just a small amount of work on the Adoration Chapel roof to be carried out in the new year.

We have now raised just over €160k out of our €500k target since we launched our Buy A Slate fundraising campaign in May. People have been so very generous in their contributions and we are most grateful. All names from the purchased slates have been temporarily added to the St Mary's website while we are working on a more permanent version of the Virtual Roof. Many people have chosen to name their slate in memory of a deceased relative or friend. If you would like to have your name, a Family name or indeed the name of a deceased loved one added to the list, you can still donate through the Parish website, or by calling into the Parish Office during the week.

With every blessing, Fr John, Fr Derek & Fr Emmanuel.

St Mary's Parish Office Christmas opening hours: The Parish office will close at 5pm on Friday 20th December and re-open Thursday 2<sup>nd</sup> January at 9am.

We wish to thank Gerard Thornton who donated the Poinsettia in memory of the late Arthur Hughes. A big **Thank You** to Frances for the beautiful flowers and for all her hard work during the year.

Fr. John will attend his First Friday calls on the usual days next week.
